Drive Clean Texas
LIVE & BREATHE IT

THE AVERAGE CAR PRODUCES 5 TONS OF EMISSIONS EVERY YEAR.

Do your part to help keep the air clean.

MAINTAIN YOUR VEHICLE

- Properly inflate your tires.
- Change oil regularly.
- Replace dirty air and oil filters.

PRACTICE GOOD DRIVING HABITS

- Avoid idling at drive-thrus. Go inside.
- Carpool.
- Drive safely. Avoid rapid starts and stops.
- Combine your errands.

MORE WAYS TO MAKE A DIFFERENCE

- Never top off your tank.
- Fill up in the late afternoon or evening.
- Tighten your gas cap all the way.
- Leave the extra cargo rack at home.
- Walk, bike, or take public transportation.
